

Do Cats Catch Human Yawns?

Video Upload Instructions

Thanks for taking part!

- Please ensure sure you have done the Pre-Survey
- Please ensure sure you have filmed both videos
 1. yawning condition
 2. open mouth condition
- Send both videos via WeTransfer to catcatchyawn@gmail.com
- Helpful videos on how to do this can be found:
 1. How to send from [phone](#)
 2. How to send from [computer](#)
- Step by step instructions for uploading:
 - Go to [WeTransfer.com](https://www.wetransfer.com) in your browser
 - You do not need to sign up or sign in, but you may have to agree to a privacy policy
 - Click Add your files and in turn add both videos
 - Send video as an email not a link
 - Email to: catcatchyawn@gmail.com
 - Email from: ensure this is the same email you entered in the pre-survey
 - Click transfer
 - You may have to verify your email with a code they send you
 - You will see a counter that tells you how much has been uploaded, don't close the window until it is finished
 - Once the file has been sent you will receive an email
